

AdHoc eMill.3 Electric pepper or salt mill

SKU: TP1RBEP9

Categorie:

Season with style and precision using the AdHoc eMill.3 electric pepper or salt mill — where reliable technology meets contemporary design. Crafted from high-quality stainless steel, this elegant mill adds a refined touch to any table setting. Equipped with the wear-free CeraCut® ceramic grinder and a stepless grind adjustment, eMill.3 allows you to effortlessly switch from powder-fine to coarsely ground seasoning. With convenient one-handed operation, achieving perfect flavour has never been easier. Designed for performance and built to last, the CeraCut® mechanism comes with an impressive 30-year guarantee — ensuring consistent results for years to come. Timeless, precise, and beautifully engineered, the eMill.3 turns everyday seasoning into a stylish experience.
