

Umbrele

Alina 23" auto open recycled PET umbrella

SKU: TP210940002

Categorie: Umbrele

Automatic opening umbrella with a recycled PET pongee polyester canopy. Sturdy metal shaft, a high quality frame with fibreglass ribs offering flexibility in windy conditions. Together with the wooden handle, tips, and the recycled PET pongee polyester canopy it offers a more sustainable choice. Available in a wide variety of contemporary colours with an large decoration area on each of the panels.
