

Aqua 20-can GRS recycled water resistant cooler bag 22L

SKU: TP213004590

Categorie:

Water-resistant 20-can cooler bag made from GRS certified recycled materials, including the zips. It features a spacious zippered compartment lined with food-safe and extra thick high density thermal PEVA and foam insulation, keeping beverages and refreshments cold for hours. It also has 2 mesh pockets and one open front pocket for additional storage. The webbing carrying handle and the adjustable and padded shoulder strap makes it comfortable to carry around. The GRS recycled materials include the main fabric, lining, webbing, and zips. Capacity: 22 litres. PVC free.
