

Black+Blum Stainless Steel Sandwich Box Large

SKU: TP1P439.01
Categorie:

Based on the success of our first sandwich box we have introduced this deeper version to allow you to take larger items such as fruit and yoghurts with you. This is a robust, 100% plastic-free design solution for preparing and carrying your sandwiches, charcuterie or even cheese selection! Stainless Steel Sandwich Box is one of those products that feels familiar and trustworthy from day one, and is built to age beautifully. Use the naturally anti-bacterial bamboo lid as a chopping board to create your sandwiches or as a serving board to assemble the ingredients for a delectable meal later in the day. The stainless steel box protects the contents, and the silicone strap provides added security. The inner compartment helps you separate different foods and it is microwave safe. Handwash only
