

Breevia RCS rplastic re-chargeable floating humidifier

SKU: TP1P457.02

Categorie:

Breevia is a unique and versatile floating humidifier that turns any glass of water into your personal humidifier. Compact and easy to use, it's designed to improve air quality and create a healthier environment, whether at home or work. With a USB-C rechargeable battery, Breevia can operate for up to 6 hours on a single charge, and it recharges in just 2 hours for added convenience. Its innovative design makes it the perfect gift for anyone looking to enhance their surroundings with ease. Made out of RCS certified recycled ABS. RCS (Recycled Claim Standard) is a standard to verify the recycled content of a product throughout the whole supply chain. Total recycled content: 51% based on total item weight. Item and accessories are PVC-free and packed in FSC® packaging.
