## **Cannes 200 g/m<sup>2</sup> recycled shopper tote bag 10L**

**SKU:** TP2120696

**Categorie:** Genți și călătorii

This large capacity tote bag is made with the finest, 100% recycled materials. It is constructed to use in everyday life, and suitable to carry around heavy books or groceries. The 200 g/m<sup>2</sup> recycled cotton/polyester blend ensures durability and reliability, giving the bag a resistance of up to 14kg weight. The yarns originate in Asia, but the weaving, spinning and manufacturing is all done in France.
