

## Case Logic Invigo 15.6" recycled laptop bag

**SKU:** TP2120724

**Categorie:**

The Cases Logic Invigo laptop bag has padded storage for a laptop and tablet, and other thoughtful features for everyday use. The bag is made with a 100% recycled 600D polyester exterior and 150D polyester lining. Featuring a padded 15.6" laptop compartment as well as a 12.9" tablet sleeve. The interior has organisation pockets, and in the front there is a zipped pocket for small items such as keys. The pocket on the back panel keeps vital items like passport or wallet hidden yet close at hand. The bag also features a luggage pass-through strap to attach the bag to rolling luggage for effortless travel.
