

CycleCell 10,000 mah removable battery powerbank

SKU: TP1P322.54
Categorie:

Unique design powerbank that is designed to stimulate recycling of the battery at the end of the products life cycle. Simply open the powerbank and remove the a-grade battery for safe and responsible battery recycling. The 10,000 mah powerbank comes with an integrated type C cable that you can easily connect to your device to start charging direct. The cable can also be used to charge the powerbank itself. With one additional type C port to connect your own charging cable. Made with recycled ABS and recycled TPE. Total recycled content: 30% based on total item weight. RCS certification ensures a completely certified supply chain of the recycled materials. Packed in FSC® kraft packaging. PVC Free. Input: 5V/2.1A Output 5V/2.4A.

General information
