Dane 21" RPET foldable umbrella

SKU: TP211350855

Categorie: Umbrele

The Dane manual foldable umbrella is a reliable and stylish companion for everyday use. Featuring a 190T recycled PET fabric canopy, it offers dependable protection against the rain. The sturdy 3-section iron shaft and iron ribs with black plating ensure long-lasting durability. A classic wooden handle adds both comfort and timeless appeal. For added convenience, it includes a matching pouch and wrist strap, making it easy to carry on the go. With a canopy radius of 21 inches, it strikes the perfect balance between compact design and effective coverage, ideal for travel or daily commutes.
