Dinlas women's lightweight jacket

SKU: TP238330901
Categorie: Articole textile

The Dinlas women's jacket – a lightweight and functional jacket for all outdoor activites. Made of 72 g/m² 280T ripstop fabric of nylon, with a lining of 60 g/m2 210T taffeta polyester. The water-resistant coating of 500 mm offers protection from light rain and moisture. The roll-away hood offers versatility, allowing you to adapt to changing weather conditions. Because of the raglan sleeves it provides a comfortable fit and enhances mobility, making it ideal for active lifestyles. Essentials can be stored in the inside pocket. The Dinlas jacket is an essential addition to the outdoor wardrobe. This jacket is designed with a fitted shape for a feminine look.
