

Gear X foldable EDC tool with carabiner and parcel cutter

SKU: TP1P221.2701

Categorie:

The Gear X Foldable EDC Tool combines exceptional craftsmanship and versatility in a compact design, making it the ultimate everyday carry companion. Crafted from durable stainless steel 420, this high-quality tool offers 11 essential functions, including M5, M4, M3.5, M2.5, M2, and M1.6 wrenches, a flat screwdriver, a Phillips screwdriver, a parcel cutter (to safely open parcels and boxes), a bottle opener and a hook. Measuring just 9.1 cm when folded and 12.8 cm when unfolded, it features an integrated carabiner for easy attachment. Packed in FSC envelope packaging.
