

Globefind RCSrPolyester luggage tag with worldwide locating

SKU: TP1P301.55

Categorie:

Never lose your luggage ever again! Simply connect your luggage tag in Apple's Find My app and you are all good to go! Globetrack will help you when you leave your luggage or backpack behind to give you a direct notification that you left your item behind. Completely lost your suitcase? No problem easily detect it all around the world using Apple's Find My network. Once you are nearby you can activate the items sound to find the exact location. Globetrack is equipped with a long lasting re-chargable battery. Simply place Globetrack on a wireless charger and re-charge in 1 hour for usage up to 6 months! No need to replace batteries! Globetrack is made with RCS recycled polyester. Total recycled content: 9% based on total item weight. RCS certification ensures a completely certified supply chain of the recycled materials. Packed in FSC® mix gift packaging.
