KENTO URBAN RCS recycled nylon 15.6 inch Backpack with front

SKU: TP1P763.53

Categorie: Genți și călătorii

The KENTO Urban backpack with front zipper is a lightweight everyday essential made from RCS-certified recycled nylon with a recycled polyester lining, containing 45% certified recycled content. Easy to fold and pack, it fits conveniently in suitcases - perfect for commuting and travel. A spacious main compartment suitable for a 15.6" laptop sleeve, along with front and side zipper pockets, keeps your essentials organised and secure. The bottle pocket with elastic adjuster ensures extra stability on the go. Adjustable shoulder straps and a luggage strap provide comfort and versatility for everyday use.
