

Loop RCS recycled plastic multimedia adapter USB 2.0-3.0 with HDMI port

SKU: TP2124368

Categorie: Tehnologie

The Loop RCS USB multimedia Type-C adapter offers a solution for every challenge thanks to the variety of ports. Connect a mouse and keyboard to the 2x USB 2.0 ports, copy large files at high speed via the USB 3.0 or Type-C port and/or connect your laptop to an external monitor/TV/beamer using the integrated HDMI output with video support up to 4K resolution. Delivered with a user manual in a 100% recycled kraft paper box.
