Introducing LoopAmp, a 160 cm long phone cord made out of RCS certified RPET, recycled Aluminium, Copper and Tin. RCS (Recycled Claim Standard) is a standard to verify the recycled content of a product throughout the whole supply chain. Total recycled content: 84% based on total item weight. Engineered as a premium-quality neck strap, its high-strength lanyard and precision-crafted connecting ring and hook guard against accidental drops, while its sleek design adds modern flair to your everyday carry. Exclusively worn around the neck, LoopAmp frees your hands and eliminates bulk in your pocket. LoopAmp also functions as a USB-C charging cable with up to 60W of fast-charge power. Whether you're topping up your smartphone, tablet, or even a laptop, LoopAmp ensures reliable, high-efficiency charging with reinforced connectors and ultra-durable materials built to withstand daily use. Supports Data transfer. PVC-free and packaged in an FSC packaging.
