

Mepal Ellipse 750+300 ml insulated lunch pot

SKU: TP2113141

Categorie:

Insulated lunch pot with two separate compartments to keep ingredients neatly separated. Each container has its own lid to prevent mixing, making it ideal for meals with toppings, sides or dressings. It keeps food warm for 6-8 hours or cold for up to 12 hours. The top transparent container has a 300 ml capacity, while the lower container holds 750 ml. Made from durable materials, the exterior stays cool and dry to the touch. Hand-washing is recommended; the plastic lid components are dishwasher safe. BPA-free.
