

Mumbai cotton pocket jute tote bag 18L

SKU: TP2119526

Categorie:

This tote bag is made from a combination of high-quality cotton and jute, making it very durable. The large 18 litre main compartment is perfect for carrying around all the daily essentials, from a laptop and books to gym clothes and water bottle. The easy access front pocket is ideal to store smaller items. With a 320 g/m² quality this tote is a super sturdy and long-lasting bag to carry around all items in the main compartment. Made in India and OEKO-Tex certified. Resistance up to 10 kg weight.
