

Nordic Drift Trail Ultra Light Titanium 450ml Cup

SKU: TP1ND340.0102

Categorie:

Built to Last, Made to Explore. This 450ml titanium mug is lightweight, incredibly strong, and resistant to rust and odour. Perfect for hot drinks—whether you're out in nature or enjoying a quiet morning outdoors. The insulating titanium keeps your beverage warm longer, while the comfortable handle ensures safe and easy use. All Nordic Drift products are carefully tested for quality. Because we fully trust the performance and durability of our gear, every item comes with a 5-year warranty on manufacturing defects. Packed in FSC giftbox.
