

Nordic Drift Trail Ultra Light Titanium 600ml Water Bottle

SKU: TP1ND340.00

Categorie:

Built to Last, Made to Explore. Engineered from premium titanium, this 600ml field flask is ultra-light, exceptionally durable, and completely resistant to rust or odour. It keeps your drink pure and fresh, without affecting the original taste. Designed with a sturdy screw lid and carry handle for any adventure — from rugged hikes to daily commutes. Packed in FSC giftbox. All Nordic Drift products are tested for quality. Because we believe so strongly in the performance and durability of our gear, we back every item with a 5-year warranty on manufacturing defects.
