

Oakland RCS recycled plastic 6-in-1 fast charging 45W cable

SKU: TP1P302.703

Categorie: Tehnologie

Always charge using the fastest charging speed possible with the Oakland fast charging cable. Made with certified recycled materials. The case is made out of 100% RCS certified recycled TPE plastic and the wire from 100% recycled TPE inner material and 100% recycled PET outer layer. RCS (Recycled Claim Standard) is a standard to verify the recycled content of a product throughout the whole supply chain. RCS is the standard that is used when a part of the item has been made from recycled materials. The 120 cm cable has 5 different connectors: USB C in, USB A in, type C out, IOS out and micro USB out. This also allows you to use the cable with type C output devices that are included in the newer generation of phones and macbook computers. The cable also has a USB A output input option so it can charge any device from any output source. Max current type C to lightning 18W. Max current type C to type C 45W. Urban Vitamin items are made without PVC and packed in plastic reduced packaging.
