

Prixton DV670 4K dual screen action camera

SKU: TP22PA17390

Categorie:

Capture all exciting moments in 4K while practicing your favourite sports with the DV670 action camera and its multiple accessories. With the XDV PRO app it's possible to control the camera with another device. You can even dive up to 30 meters with the camera as it includes a waterproof housing. Additionally, thanks to its dual screens, you can choose to take selfies or record in the traditional mode. Is the available stock not sufficient for your order? We are able to serve your request with this option.
