

Puffer GRS recycled duffel bag with insulated bottom 30L

SKU: TP2130115

Categorie:

The Puffer duffel bag combines a distinctive design with premium GRS certified recycled materials for everyday practicality. With a 30 litres capacity, it is perfect for short trips, gym sessions, or daily use. The bag features a large zipped main compartment for clothes and gear, an insulated PEVA-lined bottom compartment for separating wet and dry items, and multiple interior and exterior pockets for organisation. A trolley strap, adjustable shoulder strap, and grab handles provide versatile carrying options. Lightweight and water-repellent, this duffel bag is designed to adapt effortlessly to your lifestyle.
