

Ross GRS RPET tech pouch 1L

SKU: TP213004855

Categorie:

The Ross GRS recycled tech pouch is ideal for people constantly on the go, and can keep power banks, charging cables, or any other electronic accessories organised. Featuring multiple pockets, elastic loops, and a cord pass-through patch allowing for storage of a power bank inside the pouch while charging a phone. It also has a plastic carabiner hook for attachment to another bag. Capacity: 1 litre.
