SCX.design T20 30-piece screwdriver and repair set in aluminium case

SKU: TP22PX170
Categorie:

30-piece precision screwdriver kit with 28 bits and two accessories. The oxidized aluminium case (15 x 3.6 x 3.6 cm) can be personalized with an engraved logo. The compact casing makes it easy to keep everything in one place. The manual screwdriver is perfect to repair any small device, and thanks to its shape it is easy to use and to handle. It features a wide variety of bits making it universal for many types of DIY activities. Each type of bit is marked with a different color to be easily identified. The bits are attracted magnetically to the screwdriver. The kit also comes with a pair of tweezers to pick small objects and a crowbar to lift and open casings. Packed in a gift box (17 x 55 x 43.5 cm) with magnetic closure. Includes 3 year warranty.
