

Tecta 6-in-1 recycled plastic/bamboo charging cable with keyring

SKU: TP2124325

Categorie: Tehnologie

The Tecta 6-in-1 bamboo and recycled plastic charging cable shows where sustainability meets style. With a length of 25 cm, this RTPE cable delivers 2A charging power. Input: USB A and Type-C. Output: Type-C, micro USB, and 2-in-1 micro USB and lightning dual tips compatible with both iOS and Android devices. The aluminium USB tips provide a secure and stable connection, ensuring reliable charging every time. The silver stainless steel keyring serves as a convenient way to organise and carry the cable. Packed in a kraft paper envelope.

This item is FSC® certified (C166462).
