

Terra RCS recycled aluminium retractable 240W 2-in-1 cable

SKU: TP1P302.7701

Categorie:

Terra RCS Recycled Aluminium Retractable 240W 2-in-1 Cable. Terra is a high-performance retractable charging cable designed for ultra-fast charging and maximum convenience. With a USB-C input and dual output connectors (USB-C and iOS), it powers everything from phones to laptops at lightning speed—up to 240W. The smart retractable mechanism extends from just one side, smoothly adjusting to four preset lengths for effortless use in any setting. Terra also supports data sync at 480 Mbps and is compatible with CarPlay and Android Auto, offering full functionality in one compact cable. Made out of RCS certified recycled materials, including recycled aluminium, ABS, TPE, and tin. RCS (Recycled Claim Standard) is a standard to verify the recycled content of a product throughout the whole supply chain. Total recycled content: 69% based on total item weight. PVC-free and packed in FSC® packaging.
