

Tundra GRS recycled picnic cooler backpack with cutlery set 20L

SKU: TP2130120

Categorie:

The Tundra picnic cooler backpack is made from GRS certified recycled materials and comes with a reusable two-person cutlery set made from food-grade plastic. Its leak-proof main compartment, insulated with high-density foam and a heat-sealed PEVA lining, keeps food and drinks chilled for hours. For added convenience, it includes two side mesh pockets, a zipped front pocket with tableware (two knives, two forks, two cups, and two plates), and an extra zipped pocket on top. Padded adjustable shoulder straps and a sturdy webbing handle make it comfortable to carry, making this backpack an ideal companion for picnics, outdoor dining, camping, or beach trips. Volume capacity: 20 litres.
