

Urban Vitamin Compton RCS plastic/alu 10.000 mah powerbank

SKU: TP1P322.842

Categorie: Tehnologie

Compton's magnetic technology effortlessly snaps onto your iPhone 12 and up, as well as new-generation Android phones, ensuring a seamless connection for lightning-fast 15W charging. Need a quick boost to get you through the day? Compton supports lightning-speed 20W fast charging via its Type-C port, both for replenishing the powerbank itself and supercharging your device. It couldn't be simpler - just click Compton onto your phone, and watch the magic happen! Our intelligent design automatically initiates charging the moment it's attached, ensuring your devices are always juiced up when you need them. We believe in quality that endures, which is why Compton is equipped with a high-quality 10.000 mah 100% cobalt battery that will last up to 1200 cycles. . This powerhouse lasts longer and performs better than ordinary lithium batteries, giving you reliable, long-lasting power. Made with RCS (Recycled Claim Standard) certified recycled aluminium and ABS.
