

Urban Vitamin Concord RCS Ultra thin 3000mAh powerbank

SKU: TP1P322.9102

Categorie: Tehnologie

Concord redefines portability with its remarkably thin 4 mm design, making it the slimmest powerbank on the market and effortless to slip into any pocket or bag. Delivering smooth 7.5W wireless charging and 10W wired output, Concord provides reliable everyday power whenever you need it. Just place or plug in your device and charging starts instantly, keeping the experience simple and intuitive. Despite its ultra-slim profile, Concord houses a high-quality 3000 mAh battery that delivers steady performance throughout the day. The soft-touch phone-facing surface keeps your device scratch-free, while the premium aluminium backside gives Concord a clean, modern finish that feels great in hand. Made with RCS (Recycled Claim Standard) certified recycled aluminium, recycled silicone, and recycled PC. Urban Vitamin products are made without PVC and are packed in plastic-reduced packaging.
