

Urban Vitamin Eureka hybrid GANcharger 10000mah powerbank65W

SKU: TP1P301.9901

Categorie:

Hybrid charging has arrived with the ultimate GAN charger that offers you hyper fast 65W charging. Eureka can be used both as powerbanks and as 65W GAN wall charger. Plug it in wall socket at home or during your travel and charge any device, even a laptop at amazing speed. While you charge your devices the powerbank itself is being charged. Remove it from the socket to leave the house with a fully charged 10.000 mAh powerbank. GAN is a new charging technology that allows a much smaller size for powerful adapters, less heat so much safer and a higher energy efficiency so less energy is lost in the charging process. Eureka comes with 1 USB A port, 1 type C port and 1 integrated type C cable. With USA, EU, UK adapter to take it anywhere you go. Eureka is made with RCS (Recycled Claim Standard) certified recycled fireproof PC. Total recycled content: 22% based on total item weight. Urban Vitamin items are made without PVC and packed in plastic reduced packaging
