

Urban Vitamin Los Angeles RCS rplastic 20W PD powerbank

SKU: TP1P322.85

Categorie: Tehnologie

Carry 20W portable power in your pocket and be ready to fast charge on the go wherever you are! Urban Vitamin Los Angeles is a lightweight but powerful 5000mAh power bank. With dual fast charging options to re-charge via the integrated iOS connector (for iPhone 14 and older) and state-of-the-art Type-C output, you can charge your phone without the need to bring any cables! You can even charge two items at the same time. All outputs offer ultra-fast 20W charging to re-charge up to 50% in less than 30 minutes. Beside two integrated connector the item also has a USB C input port to fast re-charge the powerbank. It also features an integrated stand to charge your phone while watching movies or listening to music. Made with RCS recycled ABS and recycled PC, the total recycled content is 24% based on total item weight. Urban Vitamin items are made without PVC and packed in plastic-reduced packaging.
