Categorie:

The ultimate all-in-one charging solution. San Jose is a 100W phone stand with an integrated retractable charging cable that delivers super-fast power and convenience. With its magnetic phone stand and kickstand, San Jose keeps your phone secure and propped up at the perfect angle for hands-free use — whether you're watching videos, video calling, or using CarPlay. The retractable RTPe cable extends up to 100cm and offers super-fast charging, supporting up to 100W power delivery with the USB-C to USB-C cable. It also comes with USB-A to USB-C and USB-A to iOS connectors, making it versatile enough to charge a wide range of devices. Plus, it supports data transfer for seamless file syncing while you charge. San Jose is made with RCS (Recycled Claim Standard) certified RABS & RTPe materials. Total recycled content 59% based on item weight. Urban Vitamin items are made without PVC and packed in plastic-reduced packaging.
