Your cable is always with you — and power is too. San Mateo is a 20,000 mAh powerbank that lets you charge all your mobile devices at top speed — with ultimate convenience. Thanks to the integrated retractable 70cm USB-C cable, you'll never be stuck searching for a cable again. Not only does San Mateo charge at lightning speed, it also offers the fastest possible way to recharge the powerbank itself — fully charged in just a few hours. It features dual USB-C output and one USB A output, allowing you to charge three devices simultaneously. Two via the USB-C/USB A ports and one using the built-in cable. Both USB C ports support super-fast PD charging up to 45W, making it powerful enough even for devices that need just a bit more power. San Mateo is made with RCS (Recycled Claim Standard) certified recycled ABS and PC. Total recycled content: 19% based on total item weight. Urban Vitamin items are made without PVC and packed in plastic reduced packaging.
