

Recipiente pentru băuturi / Căni și pahare

## VINGA Otis thermo to-go-mug

**SKU:** TP15066

**Categorie:** Recipiente pentru băuturi

A simple solution to make your everyday life better is to get a to go mug which can be opened with only one hand. Always on the run? Then this mug will be your favourite, keeps cool and warm for 6 hours. Double walled vacuum insulated, produced in 18/8 steel and because of that choice of material neither smell nor taste will linger in the mug. Handwash only! 300 ml.
